

**TWO YEAR TANK WARRANTY EXTENSION
FOR CONQUEST® WATER HEATER**
Applicable to United States and Canadian installations only

THE PRODUCT:

Model Number: _____

Serial Number: _____

When the CONQUEST water heater is confirmed at startup to be installed with a correctly sized PVI AquaSolve water conditioner, this Warranty Extension extends the full portion of the standard CONQUEST warranty period from 8 years to 10 years from the start of the warranty. In addition, under this Warranty Extension a water heater failure due to an accumulation of calcium or magnesium lime scale is covered*. This Warranty Extension is otherwise subject to all other terms, conditions, limitations and exclusions set forth in the standard CONQUEST warranty.

Confirmation will be made via installation photos attached to the startup report documentation that is emailed to PVI Customer Care Department. Upon receipt, this Warranty Extension will be activated in PVI's computerized warranty file and a certified copy of this document will be sent to the owner.

The owner is responsible for complying with the media replacement schedule for the AquaSolve water conditioner and the owner must maintain all records regarding purchase and replacement of AquaSolve media for this Warranty Extension to be in effect.

This Warranty Extension applies only to the CONQUEST water heater and does not extend the coverage for the AquaSolve beyond the AquaSolve unit's standard warranty terms and conditions.

This policy is registered in PVI's computerized warranty file.

Warranty claims should be presented through prompt telephone notification to PVI at toll-free 1-800-433-5654. PVI shall be entitled to inspect the product prior to repair or replacement.

* sediment accumulation other than calcium or magnesium scale is not covered by this warranty.
